

ROCKS & RAILS, OUR CLUB'S SHOW – FRIDAY-SUNDAY, DECEMBER 7-9

One of the club's highlights is the annual Rocks & Rails Show at the Boulder Fairgrounds in Longmont. Our show is run in conjunction with the Boulder Model Railroad Club, so you can enjoy lots of rocks, minerals, and fossils, plus model trains in the other half of the building. The show features gem and mineral dealers, exhibits, speakers, fluorescent minerals, classes, and children's activities including games, grab bags, and the Rock R Magic Show. See the flyer to the right for more information about the show.

Volunteers Needed: We can use your help at the show. If you can spare some time, please considering volunteering in the following areas: security, set up, take down, or the kids' area. Contact Charlotte at rckhnd4252@gmail.com for more information and to let her know where you would like to help.

Club Artisan Table: One feature of our show is the Club Artisan Table. Bring your rocks, minerals, jewelry, or other rock-related items to sell at our Club Artisan Table, open only to club members. Contact Kevin at knotheis@gmail.com for more information.

HOLIDAY PARTY AND GIFT EXCHANGE - DECEMBER 13

To finish the year, come and join the fun at the annual Holiday Party on Thursday, December 13. It is a time to exchange gifts and share snacks and stories with one another. So, bring a gift and some snacks to share with others.

One of the highlights of the evening is the annual gift exchange. Bring a wrapped \$5 to \$10 mineral-related gift. The gift exchange is great fun, with gifts exchanging hands throughout the evening. Members young and old will have a great time and you never know what gift you will go home with.

The party starts at 7:00 pm in the North Community Room at Frasier Meadows, 350 Ponca Place, Boulder, CO 80303. Just ask the receptionist for directions to the North Community Room when you come into the building.

JR. GEOLOGISTS ACTIVITIES

Although the Jr. Geologists are not meeting in December, your family will enjoy two activities this month.

- The Jr. Geologists will demonstrate mineral properties in their Rocks R Magic shows on Saturday and Sunday at 11 am, 1 pm, and 3 pm. To sign up for one or more of these times, please contact Jacque (mahans1017@yahoo.com) and Dennis (gertenbach1@gmail.com).
- Your family can also volunteer at the kids' table, helping to run games and sell grab bags. All Jr. Geologists who help at the kids' table will receive something special; plus, volunteer parents get into the show for free. To sign up to help, please contact Char (showvol46@gmail.com).

In January, we will resume our monthly meetings on the third Wednesdays, where we will continue learning more about fossils.

ED RAINES' MINERALOGY CLASS - STARTING MARCH 4

Ed Raines is teaching his Mineralogy Class starting on March 4 at 6 pm. It will go for 10 weeks on Mondays until May 6 at the North Community Room at Frasier Meadows. The cost will be \$75 each for 10 members. (The cost for the class is \$150 each, but the club subsidizes half the cost.) Sign-ups start on December 15 on the club's website (<https://flatironsmineralclub.org/>).

You can contact Gabi Accatino (accatino@olorado.edu) if you have questions about the course.

CLUB MEETING – THURSDAY, JANUARY 10

For our January meeting, our speaker will be Bob Raynolds, Research Associate at the Denver Museum of Nature and Science and Adjunct Faculty for the Geophysics Department of the Colorado School of Mines. He will reprise his 2017 talk at Mines about Colorado Stratigraphy for us.

Club meetings begin at 7:00 pm at the Frasier Meadows North Community Room, 350 Ponca Place, Boulder, CO 80303. When you enter the building, ask the receptionist for directions to the meeting room.

DUES ARE DUE

A friendly reminder that the annual dues are due on October 1, 2018. Dues are still only \$18 for one or more immediate family members. You can pay in two ways: Send a check made to "Flatirons Mineral Club" to P.O. Box 3331, Boulder, CO 80307 or pay Gerry Naugle, Treasurer, at any FMC monthly meeting.
