

To all FMC members:

We are forwarding this Virtual Show announcement to all our members.

Due to COVID-19, Flatirons Mineral Club cannot hold its annual December Rocks & Rails show at the Boulder County Fairgrounds in Longmont. We are therefore trying something new, a **Rocks, Minerals & Jewelry Virtual Show**. [This is a good faith effort to help to our participating dealers through this difficult year. It is no cost to them, and we are not taking any cut from sales that they might make.]

The Virtual Show and the Gold Nugget 'Door Prize' drawing will be open from Thanksgiving to December 23rd.

We encourage you to share the link with family, friends and other social media sites. It also may provide you with some useful gift ideas.

Regards,

Brian Walko, President
