

2023 Rocks & Rails Show Artisan Table Space Available

Greetings to all FMC members:

We have pre-allocated Artisan Table space to returning prior users, and have increased the available table space so that additional people may participate.

If you are interested, table space is available (minimum 2 ft section) on the 6' x 2.5' side tables shown in light green in the Club Artisan Area. The cost is \$6 per ft. for the three-day show, Dec 8, 9 & 10. See the attached image of the area.

Please contact Andrew MacGregor as soon as possible with your requirements.
