

Dear FMC Member,

One of the highlights of the Rocks & Rails Show are displays of rocks, minerals, fossil, and lapidary projects by club members. We will have wooden display cases available for your display, each with a glass front, overhead lighting, and securely fastened. The display cases will be set up for you. All you need to do is bring your specimens, labels, and liners on Thursday, December 7, and fill your case. Plan to take down your case on Sunday at 5 pm.

If you are interested in filling a display case, please contact me at [gertenbach1@gmail.com](mailto:gertenbach1@gmail.com). He will send you dimensions of the case and answer any questions you have about putting together a display for the show.

There are a limited number of cases available on a first-come, first-served basis.

Dennis Gertenbach
