

Dear FMC members,

Just a quick reminder about tomorrow night's club meeting (February 13). The meeting will be a two-part program about rhodochrosite at the Sweet Home Mine. The first part of the meeting will feature the video **Rhodochrosite: Red Treasure of the Rockies**. Mike Trafton, one of the creators of the video, will be at the meeting to provide commentary about the video. Afterwards, Brian Walko will present photos and information about the renovated Detroit City Mine Portal, a new entrance that hopes to discover additional veins of Colorado's state mineral.

Mike is donating several DVD copies of his video to the club. They will be available for sale for \$15 at the meeting, with the proceeds going to the club's Scholarship Fund. Mike will sign purchased DVDs.

Club meetings start at 7:00 pm in Barker Hall at the Mountain View United Methodist Church, 355 Ponca Place in Boulder. Enter the building from the parking lot on the west side of the church.

I hope you can join us tomorrow night.
