

# FMC24 Field Trip Catalog **MAY 14, 2024**

## Flatirons Mineral Club (FMC), Boulder, Colorado

---

FMC's 2024 field trip season has plenty to offer, with a focus on collecting, education, and exploration.

Unscheduled trips will also come up as opportunities present themselves. Please watch your inbox for announcements about all of the trips as the 2024 season unfolds.

**Please Note: This list will definitely change.** Please be sure to refer to the "Field Trip" section of the FMC website for the most current and accurate information, and to sign up for all trips.
