

Volunteers Needed for Denver Gem & Mineral Show

The 2024 Denver Gem and Mineral Show will be at the Westin Westminster at 10600 Westminster Boulevard, Westminster, CO, from September 12-15, 2024, as part of the Hardrock Summit. **We still need volunteers!** The job that especially needs filling is "scanning" (recording the people entering the show, which is needed for insurance purposes). It is boring, but the shifts are only two hours each, so you are free to enjoy the show. Morning registration helpers and people are also needed at our club table. Signing up is easy! If you have questions, email me at anitacolin@hotmail.com.
